## School Times

We would like to remind parents/carers that school starts at 8:45am and ends at 3:15pm. It is really important that your child arrives to school on time. Learning to be punctual is a life skill that your children will need to develop for later years. Please take time to teach them this good habit.

# Values Education

## Our Value for September is **AMBITION**

This month our value is all about **Ambition**

It is very important that we start now to achieve all we wish to as adults. The children will explore how to set a goal for themselves and how to work towards it. We are also looking at who they want to grow to be as a person and the qualities and character they wish to develop. If you witness your child showing the value of **Ambition,** please fill in the slip below and send it back into the school office for Mrs Hind
