SEND - The Local Offer

Following government changes and guidelines in further developing improvements in supporting children with SEND, the 'Local Offer' is an easy-to-understand information pack which provides services to children and families with special educational needs or a disability.

What is a 'Local Offer'?

What does it mean for you as a parent/carer of a child with Special Educational Needs or a Disability? St Patrick's Catholic Primary School have produced a 'Local Offer' for parents and carers of children with Special Educational Needs or a Disability (SEND). The purpose of the Local Offer is to 'offer' information for parents/carers, in a place, which helps them understand what services they and their family can expect from the nursery. St Patrick's Catholic Primary School have provided this information to give parents and carers the opportunity to recognise their good practice in supporting children with Special Educational Needs/Disabilities in achieving their full potential.

The Lancashire Local offer brings together information for children and young people with special educational needs and disabilities and their families.
